

22<sup>nd</sup> September 2010

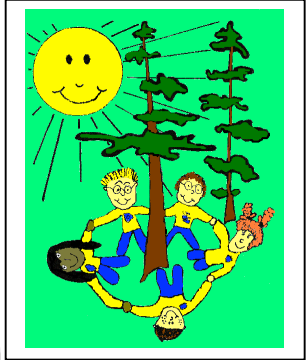

Dear Parents,

The school pets Peppa and George have had a very restful summer holiday. Unfortunately, we have discovered that now they are older they are unable to live together happily despite advice to the contrary when we first purchased them. We have therefore taken the difficult decision of splitting them and now have two very happy guinea pigs. We have agreed as a staff that Peppa will be coming back into school to be looked after by the children and given to the class with the most carrot tokens each week as usual whilst George will be living permanently with one of our staff, who has kindly offered him a loving home. We have explained this to the children and would appreciate your help in talking to them about this should they have any questions.

On a different note, following the changes to the school environment, we have had several incidents of parents and siblings disrupting classes once lessons are in progress by peering, waving through or banging on the windows as well as popping in through open doors. This has been particularly noticeable when our Yr R children are being dropped off or collected. Please could we ask for your co-operation in observing class protocol and not try to attract your child's attention if they are working in classes when you come onto the school site. This is particularly important to enable pupils to learn effectively and for staff to maintain good order in the classes. Please also remember, if you need to pass a message to your child or deliver any forgotten items, these should go through the main office after 9am and access to the school should be via the main entrance after this time. Thank you in advance for your co-operation.

Yours sincerely,

Lucy Chambers  
Headteacher
