Dear Parent/Carer

### Parent Governor Vacancies

We have vacancies for two parent governors, one of which needs to be filled immediately, the other in November. North Baddesley Infant School has always aimed for a partnership with parents, which undoubtedly brings great benefits to the children. One of the most significant ways you can help in promoting this aim is to volunteer to be a parent governor. The governing body's main tasks are to support the school, ensure that pupils receive high quality education and plan for future development and improvement.

Parent governors are welcomed as valued members of the team and play a vital role in ensuring the governing body is aware of the views of parents and the local community.

We feel sure that there are parents prepared to take on this important role and give their time and commitment to helping us to continue to improve the school's performance.

If you feel you are such a person please contact the school office for an application form and further information regarding the role which will need to be completed and returned to the school **by 3.30 p.m. on Monday 27<sup>th</sup> October, 2010.**

The guidelines giving full details about how vacancies are filled are available on request from the school office. You might also like to look at the information for prospective governors on Hampshire County Council's website [www.hants.gov.uk/education/governors](http://www.hants.gov.uk/education/governors). Please note that for the protection of children, all governor appointments are subject to a vetting process and identity check.

If there are more applications than vacancies, we will hold an election and you will be sent a voting paper. You may return the ballot paper either via your child or by post.

Yours sincerely
