

➤ Arrangements for School Photographer visit Wednesday 29th September 2010

20th September 2010

Dear Parents,

On Wednesday 29th September the school photographer will be in school to take individual pupil photographs. Children will be photographed in turn during the morning.

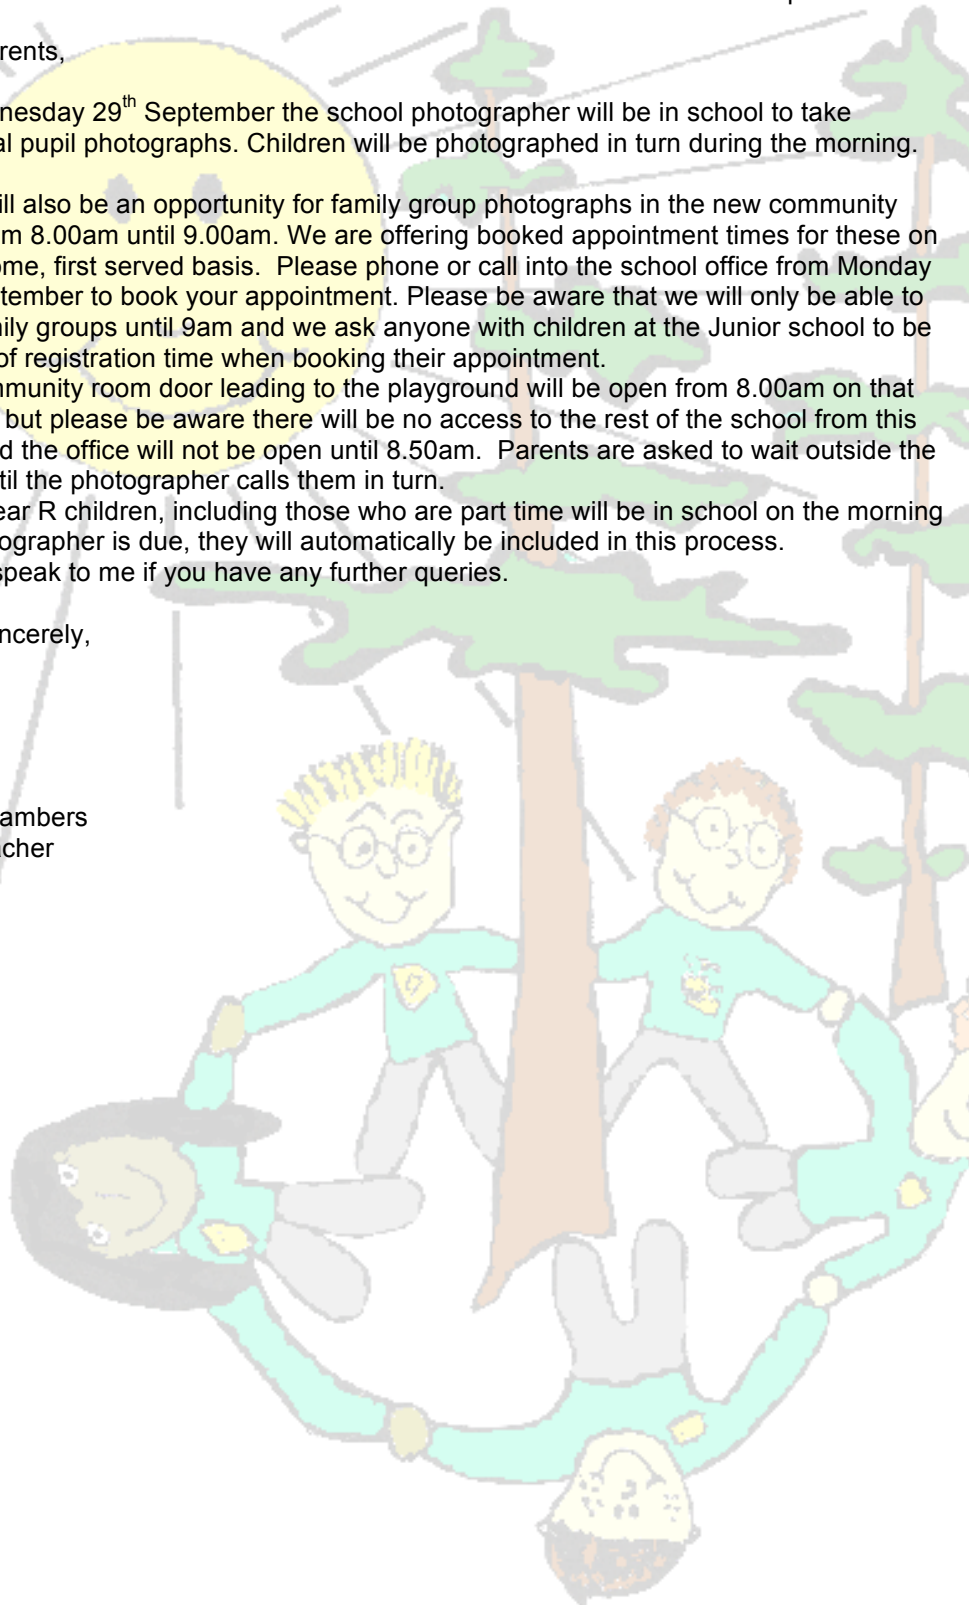

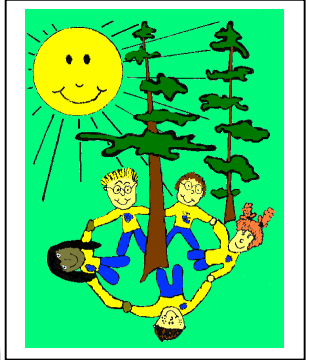

There will also be an opportunity for family group photographs in the new community room from 8.00am until 9.00am. We are offering booked appointment times for these on a first come, first served basis. Please phone or call into the school office from Monday 20th September to book your appointment. Please be aware that we will only be able to take family groups until 9am and we ask anyone with children at the Junior school to be mindful of registration time when booking their appointment.

The community room door leading to the playground will be open from 8.00am on that morning but please be aware there will be no access to the rest of the school from this room and the office will not be open until 8.50am. Parents are asked to wait outside the room until the photographer calls them in turn.

As all Year R children, including those who are part time will be in school on the morning the photographer is due, they will automatically be included in this process. Please speak to me if you have any further queries.

Yours sincerely,

Lucy Chambers
